

When smart meets human

The Nordic Model in urban development

***Stavanger Forum (Nordic Edge Expo), Stavanger, Norway
26 September 2017, 13.00–17.00 + networking***

Nordic Innovation welcomes urban developers from the Nordic region and beyond to a half-day conference where we will be unwrapping the Nordic Model and its role in building the cities of tomorrow. We will discuss how the Nordic region can contribute to more sustainable, smart and liveable cities in the world – at the same time boosting our own competitiveness and export.

The conference is free of charge.
